

Introduced by Senator Block

February 19, 2016

An act to add Section 5008.9 to the Public Resources Code, relating to state beaches and parks.

LEGISLATIVE COUNSEL'S DIGEST

SB 1333, as introduced, Block. State beaches and parks: smoking ban.

Existing law makes it an infraction for a person to smoke a cigarette, cigar, or other tobacco-related product within 25 feet of a playground or tot lot sandbox area.

This bill would make it an infraction for a person to smoke, as defined, on a state coastal beach or in a unit of the state park system or to dispose of used cigar or cigarette waste on a state coastal beach or in a unit of the state park system. The bill would establish a state-mandated local program by creating a new crime.

This bill would require the Department of Parks and Recreation to develop and post signs at state coastal beaches and units of the state park system to provide notice of the smoking prohibition. The bill would require the smoking prohibition to be enforced only after signs have been posted.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 5008.9 is added to the Public Resources Code, to read:

1 SEC. 2. No reimbursement is required by this act pursuant to
2 Section 6 of Article XIII B of the California Constitution because
3 the only costs that may be incurred by a local agency or school

5 infraction, eliminates a crime or infraction, or changes the penalty
6 for a crime or infraction, within the meaning of Section 17556 of
7 the Government Code, or changes the definition of a crime within
